General Information

House Mates Mark & Mandy Creed

Brother Merlot Creed

Ancestry Border Collie

Max was adopted by the Creeds as a young 7 week old Puppy, and since day one he has given his family a laugh and something to smile about every day of his life. He still enjoys visits from his mother, twin brother, and original family usually for a picking day during Vintage!

An only dog for his first 4 years, and slightly protective of his single status, however Max surprised all, when he became an instant soul mate to Merlot, & a great brother.

Idiosyncrasies

Max loves soft toys of all descriptions, but he always removes the eyes. He obviously doesn't like to be watched while he devours them, or shakes them to pieces?

Must have 3 Schmacko's each morning presented by Grandma, and she absolutely must throw something to keep him busy for a short while.

Max nibbles on small stones, chews on sticks from twig size through to logs he can barely lift. Then he often wants to play with the smallest piece of rubbish that can hardly be seen! He'll often drop a piece of fluff on a chair and expect the recipient to know what to do with it?

Key Role / Responsibilities

As the longest serving Wine dog at creed, Max leads by example, eats fruit from the vines, fruit from the crusher, fruit from the vats, and then enjoys a little spilt wine, and grape must, against doctors orders! He therefore provides an induction for the other dogs.

Max has a keen eye and a good sense for people! Lets us know who isn't quite right!

If anyone is bored, or momentarily between activities, he will always find something for them to throw, he's very good like that!
